

23-25, August, 2017 @ Taipei.TW

*A workshop for
brave (wo)men!!!*

Registration up to July 31, 2017

XXIX Summer Universiade is running during this period
(You can cheer up your country's team in the NTU Sports Center)

*Hot season with frequent afternoon thunderstorms
and extremely torrential rain.*

A good chance to appreciate a special natural superpower, typhoon.

Minor earthquake is more or less as frequent as at KEK
(7.0+ one only once every several years, and none in the past 10 years.)

Possible volcano eruption claimed but always denied by the authority.
