

International Symposium on Physics in Collision 2019

Wednesday, 18 September 2019

[Parallel Session B] Session Chair: Rong-Shyang Lu (National Taiwan University) - Rm. 7W3 (7F), Cosmology Hall
(15:20 - 17:05)

time	[id] title	presenter
15:20	[40] The Status and First Results from Belle II	TANAKA, Shuji
15:35	[41] The Collective Behavior at the Small Collision Systems Measured by the PHENIX Experiment at RHIC	HAN, Seyoung
15:50	[44] Status of LZ Dark Matter Search and Projected Sensitivity	WANG, Juijen
16:05	[45] The calibration of CMS preshower detector during LHC Run 2	CAO PHUC, Long Hoa
16:20	[46] Performance of the CMS Electromagnetic Calorimeter in LHC Run2	MONTI, Fabio
16:35	[47] Precision Timing with the CMS MIP Timing Detector	PARAMATTI, Riccardo
16:50	[48] The CMS ECAL Upgrade for High Precision Timing and Energy Measurements in HL-LHC	PAGANIS, Efstathios
